

2nd annual meeting VECTORIE December 3rd and 4th 2012

The General Assembly will hear the results from each partner divided per work package. Each WP leader will give a brief overview of the progress towards the milestones and deliverables of his WP and subsequently the partners involved in the WP will present their results in detail.

VECTORIE AGENDA

3 December 2012

- 9:00** welcome by **Byron Martina (EMC)**. Introduction of new partner and presentation of overview of the project's progress as submitted to the EU.
- 9:30** **WP1:** Overview presentation: Brief general introduction and aims of the WP (**Gorben Pijlman**)
- 9:45** Study of vector competence of *Culex pipiens* for several WNV lineages (**Sander Koenraadt**)
- 10:15** Study of vector competence of *Aedes albopictus* for CHIKV at low temperature (**Anna-Bella Failloux**)
- 10:45** **Coffee break**
- 11:15** Comparing susceptibility of European crows and jackdaws to infection with European strains of WNV (**Penelope Koraka**)
- 11:45** **General discussion WP1 (Byron Martina)**
- 12:30** **Lunch break**
- 13:30** **WP2:** Overview presentation: Brief general introduction and aims of the WP (**Tamas Bakonyi**)
- 13:45** Virulence of European WNV lineages in mice (**Stephanie Lim**)
- 14:15** Pathways involved in WNV and CHIKV neuroinvasive disease; proteomics (**Lionel Almeras**)
- 14:45** **Coffee break**
- 15:00** Pathways involved in WNV and CHIKV neuroinvasive disease; genomics (**Penelope Koraka**)
- 15:30** Markers of virulence of WNV L2 strain from Hungary (**Tamas Bakonyi**)
- 16:00** **General discussion WP2 (Byron Martina)**
- 16:30** **End of Day 1**
- 18:30** **DINNER**

4 December 2012

- 9:00** **WP3:** Overview presentation: Brief general introduction and aims of the WP
(**Gerd Sutter**)
- 9:15** Generation of recombinant WNV and CHIKV expressing reporter genes
(**Gorben Pijlman**)
- 9:45** Generation of VLP based CHIKV and WNV vaccines (**Paul Pumpens**)
- 10:15** Generation of MVA based CHIKV and WNV vaccines (**Martina Kaserer**)
- 10:45** **Coffee break**
- 11:15** **General discussion WP4 (Byron Martina)**
- 11:45** **WP4:** Dissemination of knowledge and administrative issues (**Martine van
Roode**)
- 12:30** **End of general assembly meeting**
- 12:30** **Lunch**
- 13:30** **Meeting of the steering committee**
- 15:00** **Site visit at Institute for Infectious Diseases and Zoonoses (optional)**

Munich

Munich Airport

International Airport Code: Munich Airport: MUC

Address: FMG Flughafen München GmbH
 Nordallee 25, 85356 München

Telephone: +49 89 975 - 00

<http://www.munich-airport.de/en/>

Meeting place

The meeting will be held at:

Institute for Infectious Diseases and Zoonoses

University of Munich LMU

Address: Veterinärstr. 13
80539 Munich, Germany

Directions

Subway: Line U3 or U6, Universität station

It is not recommended to drive by car to the university main campus, since only limited public parking is available.
